

Wedding Memories & Testimonials

The Juniper Hotel staff and coordinators were so great with us, so accommodating and personable. They really made our whole wedding experience easy and magical, even right down to the day after. I would recommend this hotel to anyone who wants an intimate wedding.

Jasta & Scott - March 25, 2009

Thanks again for hosting such a great event – everyone hasn't stopped talking about it and some are now considering the venue themselves for their own nuptials.

Heidi & James - January 3, 2009

We really had our dream wedding at The Juniper. Everything was perfect & went flawlessly.

Suzie & Devon - December 13, 2008

We wanted to thank you and your staff for an amazing day. Everyone raves about the wonderful venue, beautiful view and great food & service. We definitely picked the best spot to get married.

Gillian & Sean - November 1, 2008

Thank you very much for helping us to celebrate our special day. All of the staff were great, from the early beginnings, right until the day after. And of course, the setting was amazing. Thank you!

Phil & Bev - July 14, 2008

Thank you for making the entire wedding planning process so easy for us. You were great to work with. Could you please thank all of the staff and please let the chef and kitchen know that the food was delicious. We look forward to visiting the Juniper again.

Rob & Sarah - November 7, 2009

The day ended up being fantastic and we couldn't have asked for anything to be better. I appreciate all of your staff and their services. They were all so accommodating to us and our guests.
